

Section 49 FUTURE FARMERS OF AMERICA

The Future Farmers of America (FFA) is a national organization of students enrolled in high school vocational agriculture classes. The local unit is the chapter in each high school offering vocational agriculture, under the supervision of the agriculture teacher who is always the local chapter advisor. The California Association of FFA includes all chapters within the state, under the supervision of the Agriculture Education Unit in the State Department of Education in Sacramento. The National FFA organization includes all chapters in every state, Puerto Rico, Guam, and the Virgin Islands, under the supervision of the United States Department of Education, Washington, D. C. Every FFA member has a Supervised Agriculture Experience (SAE) in agriculture production, agriculture business, or agriculture research. The SAE is part of the practical education of the agriculture student. The FFA mission is to make a positive difference in the lives of students through agriculture education. Participation in fairs and shows is recognized as having education value as well as stimulation for better SAE's, under the supervision of the qualified chapter advisor and with the cooperation of the fair management.

LOCAL RULES AND REGULATIONS

1. The general rules and health rules applicable to the Senior Department apply also to the Junior Department.
2. Only Future Farmers regularly enrolled in the various high schools in Mendocino and Lake Counties and the Cloverdale High School in Sonoma County may make entries in this division. Students must meet the requirements of the California Agricultural Teachers Association and the Future Farmers of America for competition.
3. Completed official entry forms must be in the hands of fair management no later than Friday, August 12, 2016, at 5:00 p.m.
4. Exhibits MUST BE in place by 10:00 p.m., Thursday, September 15, 2016.
5. The Fair management reserves the right to cancel all premiums of any exhibitor for any violation of the rules, or for any misconduct of any kind while on the Fairgrounds.
6. Exhibitors must secure their EXHIBITOR NUMBER from their instructors and enter it on the ENTRY FORM before filing the form with the Fair.
7. SUBMIT a separate entry form for EACH DIVISION.
8. ENTRY NUMBER and EXHIBITORS TAGS: The number stamped on each exhibitor tag will be used as the identifying number for judging exhibits.
9. All entries must be properly made on the official entry forms furnished by the Fair and must be signed by a vocational agricultural instructor, indicating chapter represented.
10. NOTE - State Rule Eligibility II 9 and 10.

DANISH SYSTEM OF JUDGING

The Danish System of Judging is based on established standards of quality for each type of product. In this system each exhibit is judged according to how well it meets that standard rather than how it compares with other exhibits. In all Junior Departments using the Danish System THE FOLLOWING GUIDELINES SHALL BE USED BY JUDGES:

JUDGING SCALE - DANISH SYSTEM

Group 1 - Superior	92% - 100%	Blue
Group 2 - Good	84% - 91%	Red
Group 3 - Average	70% - 83%	White
Group 4 - Poor, undesirable	69% or Less	No Ribbon
