**Wool & Mohair Division Rules**

1. Use Senior Wool Show Entry Form and put price per pound if fleece is for sale. List breed on entry form.
2. Only fleeces in the grease are eligible for competition.
3. Fleeces shall not be more than 12-months growth. The definition of "12-months" shall be the definition most commonly accepted by the wool trade. Thus, if a fleece is actually slightly more than 12-months growth, due to unavoidable delay in obtaining shearers, or by weather, it shall be termed "12-months" wool or mohair.
4. Because this Wool Show terminates in wool sale of quality fleeces, all fleeces shall have bellies and tags removed. Fleeces not in compliance shall be disqualified.
5. Wether fleeces may be included in the Hand Spinner White and Natural Colored Divisions only.
6. White Ewe fleeces only from Grade Sheep in Division 73, Market Class. Purebred sheep enter in Breed Division ONLY.
7. Each exhibitor will be limited to two fleece entries per class. A fleece may be shown in two divisions only. All classes of mohair are eligible to show in Division 71 Out-of-State.
8. All fleeces entered must have been sheared from sheep or goat owned by the exhibitors for a minimum of 30 days. Fleeces shall have been shorn after Sunday, September 20, 2021.
9. The Judge has power to classify fleeces and move fleeces to the correct class before making award.
10. All fleeces will be shown in at least a 2mm clear plastic bag APPROPRIATE TO THE SIZE OF THE FLEECE, still rolled with flesh side out in a manner to allow their being handled without falling apart. ANY FLEECE received in a bag other than stated will be REBAGGED at a charge of \$1.00.
11. Any fleece entered for competition in the Wool Show/Mendocino County Fair Wool Show shall be discriminated against if:
  - a) Showing any paint or tar brands (soluble branding fluids permitted).
  - b) Showing a weak staple or break in the fiber.
  - c) Containing any excess burrs or other vegetable matter, and animal feces.
12. Judging of Fleeces:
  - a) Quality of fineness.
  - b) Evenness of quality or fineness among the various parts of the fleece
  - c) Length and strength of staple
  - d) Estimated clean weight
  - e) Condition
  - f) Character, including crimp and color.
13. Fleeces may be shipped express prepaid, U.S. Mail or UPS, to arrive by Wednesday, September 21, 2022. Cardboard cartons are excellent for shipping. United Parcel Service is the fastest and least expensive way to ship fleeces. Mail to address:
